

School Lunch Program

Info - ISL offers hot school lunches from either a set menu (Pre-G3) or are served from a hot buffet station (G4-G12). MS and HS students also have the option of purchasing salads or sandwiches if they don't want a daily hot lunch. Breakfast items, healthy snacks, juice and bottled water are also available for purchase during designated times only. For those students with food allergies or special diets, please set up a consultation meeting with the Cafeteria Manager at the start of the school year. To sign up for a school lunch, please go to the school's webpage, www.isl.edu.lv, *About Us, Cafeteria*.

Payment & Prices – Payments are made directly to the food providers by bank transfer only. Payments are due by the 1st of each month on a monthly, semester or yearly basis only. School lunches should not be purchased on a regular daily basis, but can be for special circumstances only.
