The ISL Governing Council - as we know it today - was established exactly a decade ago in 2011 and there were first 7 Council members elected from among the members of the Association. In total 24 different council members have served over the past decade. We are very grateful to all, but exceptionally thankful for the longest serving Council Members - Hardija Vaivade, Raimonds Duda un Mara Gaveika Lielcepure.

Gender balance and good governance are part of a virtuous cycle to build up an inclusive community.

## Gender Equality

Our community has easy access to the means and manner in which decisions are made, especially if they are directly affected by such decisions. On average there are 12 Council Meetings during the Academic year and after each meeting Council Summaries are uploaded in our web page:
